OMEGA 3000 "Ebony Fine" Engine Oil

"Ebony Fine" Engine Oil

- *Today's "Sovereign" engine oil for unbeatable economy & incomparable protection.*
- *Significantly boosts power & performance by minimizing friction & wear.*
- *Meets or exceeds most engine manufacturers' specifications.*

TRUST *Save Money*
OMEGA *Enhance Performance*
TO *Extend Service Life*

SPECIAL FEATURES

Omega 300 "Ebony Fine" Engine Oil is the remarkable result of petro-scientific expertise, advanced engineering, leading lubrication technology and ten years of exhaustive testing.

- **Omega 300** is today's "Sovereign" engine oil that provides unbeatable economy and incomparable protection.
- **Omega 300** significantly boosts engine power and performance by absolutely minimizing metal-to-metal friction and premature wear.
- **Omega 300** meets or exceeds most leading automotive engine manufacturers' specifications.

OUTSTANDING PROPERTIES

Omega 300 is the superior engine oil that:

- Is made from high-quality base oils and an additive package that ensure reliable, long-term lubrication protection to vital engine parts.
- Forms incredibly hard molybdenum carbide "plating" on metal surfaces for remarkable, on-going lubrication and minimal metal-to-metal contact.
- Reduces fuel consumption by up to 13% while extending drain intervals to up to 20,000 miles (32,000 km) for simply unbelievable savings.
- Improves engine cranking speed while reducing overall engine friction, thereby boosting engine power by up to 9.2%.

USE FOR

Omega 300 is the high-quality, high-performance, outstanding-economy engine oil that can function either in cold or in hot operating conditions. **Omega 300** has special viscosity enhancers that can lower fluid texture for contraction or raise the texture for expansion.

Omega 300 also helps prevent pollution by reducing the levels of hydrocarbon and CO.
